Instructions

- Pick any topic
- Draw 3 cards in any way
- Make up any story as you go ^{a.k.a. divine intuition}
- ???
- Manifest destiny & profit

Example Topics

- Spiritual paper writing guidance
- Spiritual research topic choices
- Spiritual career insight
- Spiritual financial advice
- Spiritual love life assistance
- Spiritual meaning consultation

And any other topic that comes to your mind.

Example narratives from 3 cards

- The writing, the reviewer's reply, the consequences
- The investment, the gain, the loss
- How your friends see you, how the reviewers see you, what you actually are
- The event, the outcome, the wisdom
- The mental challenge, the physical hurdle, the transformation
- The past, the present, the future
- The purpose, the obstacle, the reward
- The journey, the destination, the detour
- The action, the reaction, the consequence
- The risk, the reward, the lesson

Pro Tips

- Remember this mantra: Anything happens because the spirit world wanted it to happen.
- Speak assertively. Never doubt your divine intuition. Insist on being right. Never break character.
- Drawing the cards is part of the spiritual process. Come up with unusual ways to draw cards.
- Offer bonus cards to clarify wisdom or to reveal plot twists.
- Offer uncensored or gaslit versions of your readings.
